Proposal for a type (b) MEng Project for 2027-28

Name of Student: ……

College …….. Email: ……..

Director of Studies: ……..…

Title of Proposed Project: …….

……...

Does this project involve a collaboration with any organisation outside the Engineering Department? YES / NO

Name of collaborating organisation: ……...…..

Name of contact person at this organisation: ……..……..

Address: …….……...…..

……...

Telephone number: …… Email: ……..

Signature of Student: ……

This form should be accompanied by a typed single-sided A4 page description of the proposed project. Form and description should be submitted to the Project Administrator for the Group most closely related to the subject matter of the project. A list of Project Administrators is given in the document 'First Notice about Fourth Year Projects'.

Proposals should be submitted as early as possible, preferably before the end of Lent term. **NB: Proposals submitted after Tuesday 27 April 2027 will not be considered.**

NOTE: On receipt of your form, the Group Administrator and Coordinator will try to locate a suitable supervisor for your proposed project. All projects must have a departmental supervisor. The Administrator will contact you with the outcome as soon as possible.

If a suitable supervisor is **not** available within the Department, you may not do the type (b) project proposed. You should now choose a type (a) project instead (see document 'First Notice about Fourth Year Projects').

If a suitable supervisor **is** available within the Department, the Group Administrator will tell you their name. You should then contact the supervisor directly to complete the **Project Planning Form** together. You should also enter type (b) project details on COMET as described in the document 'First Notice about Fourth Year Projects'.

FOR COMPLETION BY PROJECT COORDINATOR ONLY:

Date form received: ……

Suitable Supervisor available: No / Yes (name of staff member): ……...…….……..

If project involves external organisation approval obtained from Deputy Head (Teaching): No/Yes

Student notified on: …… Signed: ……...…….
