

Locations of handouts, lab sign up sheets and contact information

Most labs are now using [online sign up sheets](#), others may post them on noticeboards in the labs.

Group A: Energy, Fluid Mechanics and Turbomachinery

Lab sign up sheets, information and lecture handouts are available from the Hopkinson Lab, ground floor, Inglis Building (some lecture notes may only be available via the lecturer).

NB 3A1 lab sheets (for both experiments) are available on the [Moodle site for 3A1](#). The sign up for the lab is online as well, through the Moodle site.

Lead Technician - [Mr D S Martin](#), Aero Lab, second floor, Baker Building

Lead Technician - [Mr Luke Arnold](#), Hopkinson Lab office, ground floor, Inglis Building

Group B: Electrical Engineering

Lab sign up sheets, information and lecture handouts are available from the EIETL, Inglis Building.

Lead Technician - [Mr K Barney](#), EIETL, Inglis Building

Group C: Mechanics, Materials and Design

Lab sign up sheets, information and lecture handouts are available from the Centre Wing Mechanics Lab, Baker Building (access via the centre roadway).

Lead Technician - Centre Wing Mechanics Lab, Baker Building

Senior Technician - [Mr L Howlett](#), Materials Lab, Inglis Building

Group D: Civil Engineering

Information and lecture handouts are available from the wooden racks on the mezzanine area of the Inglis Building. Lab sign-up sheets are posted as follows:

3D8 - Inglis ISG 90

Lead Technician - [Mr P Knott](#), Structures Lab, Inglis Building

Senior Technician - Geotechnical Lab, Baker Building

Group F: Information Engineering

Lab sign up sheets, information and lecture handouts are available from the EIETL, Inglis Building.

Locations of handouts, lab sign up sheets and contact information

Published on CUED undergraduate teaching site (<https://teaching26-27.eng.cam.ac.uk>)

Lead Technician - [Mr K Barney](#), EIETL, Inglis Building

Group G: Bioengineering

Lab sign up sheets and lecture handouts are available from the EIETL, Inglis Building.

Lead Technician - [Mr K Barney](#), EIETL, Inglis Building

Group M: Multidisciplinary modules

Lab sign up sheets, information and lecture handouts are available from the EIETL, Inglis Building.

Lead Technician - [Mr K Barney](#), EIETL, Inglis Building

Group S: Shared modules (NB some handouts may only be available via the lecturer)

4C4 - handouts are available on [Moodle](#)

4D8/4D16 - Mezzanine area, Inglis Building (contacts as for group D)

4M12 - [Mr K Barney](#), EIETL, Inglis Building (contact module leader)

4M16 - Hopkinson lab, Inglis Building (contact as for group A)
